NEXT STEP GUIDED READING ASSESSMENT

Save 15%*

Next Step Guided Reading Assessment answers the call for a guided reading system that's designed from the ground up to meet today's rigorous standards. Master reading teachers Jan Richardson, Ph.D. and Maria Walther, Ed.D., developed this lean, smart assessment kit to provide teachers with the tools they need to quickly pinpoint students' guided reading levels and focus their reading instruction on each student's learning goals right from the start. This classroom-tested framework offers clear suggestions about how to form guided reading groups, plan and teach effective lessons, and move students into more challenging texts.

Inside each kit:

- Original Assessment Texts
- Teacher's Guide
- Reproducible Assessment Forms Book and CD
