New Edition! Grades PreK–3

The Interactive, Leveled Reading Program Proven to Raise Reading Scores!

Now compatible with Macintosh® OS X and Microsoft® Vista

WiggleWorks sets the standard for research-based beginning reading and writing programs with an award-winning blend of engaging technology, leveled books, and instructional materials. This proven-effective program helps teachers scaffold instruction and advance all primary-grade students toward reading independence.

With WiggleWorks, children can:

- Practice, record, and listen to their own reading
- Collect words to use in their writing
- Write and draw their own responses to the books
- Write their own books by personalizing the text
- Access reading support by clicking entire passages, phrases, or individual words, and hearing them read aloud
- Explore words and review phonics with the Magnet Board
- Use built-in tools designed to ensure every child can access the books

Now available in two grade-level editions: PreK–1 and Grades 2–3.
