

Dear Parent,

Instill your child with a love of learning with **Scholastic's Click! Interactive Learning Club!** Each catalog features the best in CD-ROMs, DVDs, console games, Leapster and other educational multimedia products for grades PreK-8—and the February catalog is no exception.

Please take a few minutes to look over this month's flyer with your child. Scholastic editors select each title so you can be sure you're getting top quality products from a name you trust. The February catalog features **titles that develop math, reading, science and other essential skills.** *Leapster® Educational Game: Clifford® Reading, American Civil War™ Gettysburg* and *The Magic School Bus™ Human Body DVD* are just a few of this month's **75 skill-building titles.**

Click! offers a great way to save on interactive learning products too. Orders are delivered direct to our classroom with **no shipping and handling charges.** This month you can **save up to 70% off of regular retail prices and prices start at just \$5.95.** Plus Scholastic offers an unconditional money-back guarantee, so ordering not only saves you time and money, it's risk-free as well.

Another benefit to ordering from Click! is Bonus Points. Each title you order earns our class Bonus Points that can be redeemed for **free books and other educational resources.** Your Click! order not only benefits your child it benefits our entire classroom as well.

I recommended a few titles from the February flyer that I thought your child would enjoy.

February orders are due _____

Best wishes for continued success this school year.
