Comprehension Clubs

Visit our store for latest offers: scholastic.com/teacherstore

Authored by Fountas and Pinnell, this full-year program prompts students to engage with high-quality literature and informational texts that build knowledge and deepen comprehension across content-area themes. A collection of more than 50 print and audiobooks organized around six thematic strands draws students into deeply thoughtful dialogue about authors, ideas, and the language of books.

From Fountas and Pinnell!
