Español
Podemos ser buenos amigos, sin importar de donde venimos, tú y yo podemos llevarnos bien, no hay nada que temas. Aunque hables árabe o italiano, al final somos seres humanos, aunque hables quechua o mandarín, un mismo idioma es sonreír.
Hola, amigo canta conmigo
Hola, amigo ¿cómo te llamas?
Hola, amigo canta conmigo
Hola, amigo ¿cómo te llamas?
Y no me importa de dónde sos, desde que tengas buen corazón, y no me importa cuál es tu idioma, desde que seas buena persona. Venimos de muchos países, y podemos vivir muy felices, cantando esta canción, sueña conmigo un mundo mucho mejor.

English
It doesn't matter where you are from, if you speak English or Español
It doesn't matter, there's nothing wrong, we can all get along
If you speak German or Japanese, it doesn't make any difference to me
If you speak Arabic, Chinese, or French, we can all just be friends
Hello friend, it's great to meet you
Hello friend, tell me your name
Hello friend, it's great to meet you
Hello friend, tell me your name
Don't let a difference drift us apart. We're all the same inside our hearts
It doesn't matter where you are from. You're welcome in my home.
We come from different places, but we have smiles on our faces
And when we share our names, we realize we're all the same

Families can sing along to English and Spanish songs by award-winning artists!

Doble sobre la línea punteada para hacer un librito, y pídale a su hijo o hija que decore la portada y le ponga su nombre. En las páginas interiores, él o ella puede contar un cuento e ilustrarlo.
