# The Prophecy of Nanuak

Torak needed to collect three pieces of the Nanuak. Each of these pieces were found almost accidentally as he traveled to the mountain with wolf and Renn. In the chart below, fill in the three settings in which the Nanuak was found. Complete the chart by indicating the difficulty they faced in each setting and what they actually collected.

Nanuak Prophecy	Setting in Which Found	Problems Faced	Item They Actually Collected
"Deepest of all, the drowned sight."			
"Oldest of all, the stone bite."			
"Coldest of all, the darkest light."
