## Make a Move!

Teresa knows that a strong, healthy body can help keep colds away. That is why she exercises by playing basketball almost every day!

The chart below shows how long Teresa played basketball each day this week. Use this chart to answer the questions.

Day of the Week	Minutes of Playing Basketball
Monday	55
Tuesday	36
Wednesday	44
Thursday	68
Friday	47
Saturday	71

1. What day did Teresa play the most? \_\_\_\_\_
2. What day did Teresa play the least? \_\_\_\_\_
3. What day did Teresa not play? \_\_\_\_\_
4. How many minutes did Teresa play on Monday and Tuesday? \_\_\_\_\_
5. How many more minutes did Teresa play on Monday than Wednesday? \_\_\_\_\_

### **Bonus: Power of an Hour**

One hour is 60 minutes. On which two days did Teresa play longer than an hour?
