Reef Rhymes

Have a fun time and learn how rhymes "rhyme"!

NAME: _____ DATE: _____

What to Do: Part 1

Rhymes are words that have the same sounds in them. Draw a line from each word in the first column to the word in the second column that rhymes with it. The first one has been done for you.

leap	gills
home	daughter
water	pretty
skills	roam
dark	deep
city	shark

A pink line connects "leap" to "deep".

What to Do: Part 2

Choose the correct word from the second column in Part 1 to complete each rhyming poem below. Then draw a line between the sounds that make each pair of rhymes rhyme. The first one has been done for you.

Far beneath the water,
There lives Neptune's daughter.

A pink arrow curves from the 'er' in "water" to the 'er' in "daughter".

The fish all think she's _____
As she swims through aqua city.

Breathing through her _____,
She's smart and has the skills.

To outswim any _____,
That lurks there in the dark.

Or with a mighty leap
To soar above the _____.

But the sea is still her home,
Wherever she may _____.

Bonus Activity: Try this do-it-yourself rhyming poem writing activity! Find a partner. Write a word on a sheet of paper. Trade papers with your partner and write a word that rhymes with your partner's word. Trade papers and rhymes four times. Finally, write your own rhyming poem using your four sets of rhyming words.
