Online teaching tools make building skills interactive and fun

BookFlix™ is an exciting online literacy resource that pairs fictional video storybooks from Weston Woods with related nonfiction content. This program reinforces reading skills in the early years and is perfect for use as an independent learning resource in small-group classroom rotations and for adding excitement to story hours or group reading activities.

BookFlix features:

- 85 Online video storybooks, each paired with a related nonfiction eBook
- Spanish language versions of 21 pairs
- Read-along options for both fiction and nonfiction
- Interactive educational games and activities
- Definitions and narrated text supports
- Educator resources and lesson plans
