

Itcher's Tube Tiger

RECYCLED
Art
Project

What You'll Need:

1 Toilet paper tube

or a Paper Towel Tube cut in half

Scissors

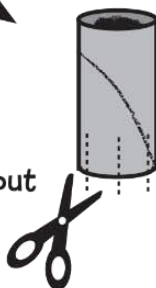

Markers or Crayons

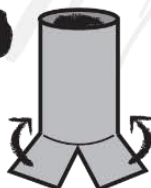

Ask an adult to help you cut anything difficult.

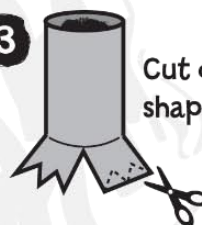

- 1** Make 3 small cuts in the bottom of your tube about three fingers apart.

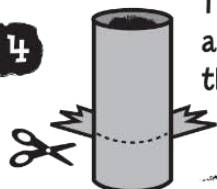

- 2** Fold up the two flaps to form your tiger's feet

- 3** Cut out a few triangle shapes to form claws.

- 4** Turn your tube around and cut off the extra piece behind the feet.

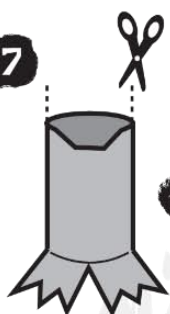

- 5** Cut this piece in half to make your tiger's arms.

- 6** Cut a piece out of the front of your tube to make the head.

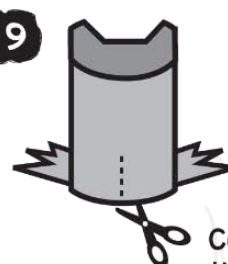

- 7** Cut 2 small slits behind the ears.

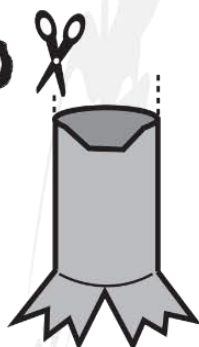

- 8** Round the end of this piece to make your tail.

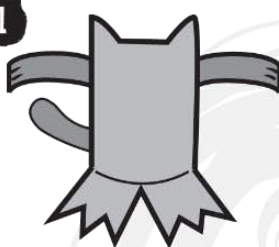

- 9** Cut a small slit in the back and insert your tail!

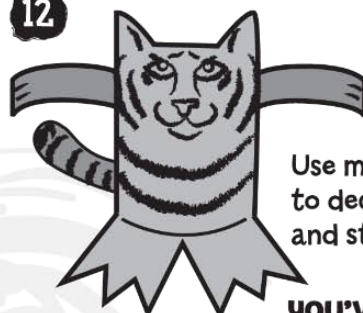

- 10** Make the slits behind the ears longer for arms.

- 11** Insert your arms!

- 12** Use markers, crayons or paints to decorate. Draw a face and stripes.

YOU'VE GOT A TUBE TIGER!
GRRRRRR!
