2. BASIC SUPPORT PLAN

For schools with *READ 180* or *System 44*, the Basic Plan offers the same great coverage as the Premium Plan with expert support via phone, email, and Web Chat, as well as software updates and point releases. Support does not include on-site service, savings on Scholastic U, or access to the *READ 180* and *System 44* Interactive Teaching Systems and the Training Zone.*

3. PROGRAM SUPPORT PLAN

Schools without *READ 180* or *System 44* can purchase a program specific basic level support plan.

---

* Access to the *READ 180* ITS, *System 44* ITS, and TZ is available with Enterprise Edition v1.9 and higher to customers with an active Premium Support Plan who have registered their servers with SAM Connect and have a valid username and password.

[†] Scholastic recognizes school entities as identified and reported by each State Department of Education. A single school may be located in one or more buildings; multiple schools may be located in a single building.

** On-site Services may only be used to troubleshoot software issues that are unable to be resolved over the phone.
