

## Our Family's Research Checklist

Dear Family:

In school we are learning about different ways to find out about topics that interest us. Let's think of a topic our family can learn about together. We can use this page to plan as least three ways to find out more about the topic. On the back of the page, we can write what we learned from these sources.

**Our topic is:**

**To learn about this topic, we will (check at least three):**

- read a book
- read a magazine
- go to the library
- use the computer
- watch a television show
- watch a video
- play a game
- listen to music
- talk together
- talk to other people
- visit a museum
- other (description below)
