

**Workshop 5: Secrets of the Mummy's Tomb****Reading 3 Project: Ancient Egypt: Unlocking the Past**  
**Help Wanted**

*Wanted: Lots of people to build a huge pyramid!*

**Project:** Write a help-wanted ad for a pyramid builder.

**Procedure**

**1. Choose a job.** Imagine you are in charge of building a huge new pyramid—right in the middle of the Nile Valley! You need to hire people to help you build. Choose a job to write about from the list below:

- **Priest:** helps to measure the pyramid
- **Worker:** builds the pyramid
- **Security person:** creates a security system for the tomb
- **Manager:** directs workers at the site

**2. Gather information.** Review pages 116–119 of your *rBook*. Answer these questions on a piece of paper:

- How many people will you need for this position?
- What will the person do?
- What skills does the person need?
- What qualities will the person need to have? Should the person be careful? A quick thinker? Great under pressure?

**3. Write.** Write your help-wanted ad. Follow this format:

**Wanted:** (Name of Job)  
**Number of openings for this job:**  
**Job Description:**  
**Job Skills Needed:**  
**Other Skills or Qualities:**

**4. Present.** Type your help-wanted ad on the computer. Share it with the class.
