

Workshop 9: No Small Hero**Reading 1 Project: Ruby Bridges**
What Would You Do?

What Ruby Bridges did took a lot of courage. What would you have done?

Project: Explain how you would have felt if you had been in Ruby Bridges's situation.

Procedure**1. Make a list.**

Review "Ruby Bridges" and the React question on page 214 of your *rBook*. If you were Ruby, would you have wanted to go to William Frantz Public School? Why or why not?

- Write three reasons why you would.
- Then write three reasons why you would not.

2. State your opinion and reasons.

Decide whether you would or wouldn't have wanted to go to Ruby's school. Then write a paragraph giving your opinion and reasons.

3. Present your work.

Share your writing in a small group. If someone has an opinion that is different from yours, feel free to have a debate about it. But remember to respect the person's opinion, even if you don't agree.
