

Scholastic's ReadingLine™ Kits are the perfect choice for Teachers using Open Court*

Here's why:

Teachers know that within the core basal program, there are never enough titles, and variety of text at every instructional level for students to remain engaged and challenged!

Teachers know that a skill needs to be repeated over 50 times before a student gets to mastery!

Here's what:

Scholastic's ReadingLine Kits offer 68 leveled titles to extend and expand your teaching library with decodable books.

Scholastic's ReadingLine Kits offer a teacher's guide bursting with fun ideas to support the instruction as well as additional ideas to stretch beyond what Open Court offers.

Scholastic's ReadingLine Kits offer additional materials for remedial instruction, re-teaching ideas, to address all learning styles.

Here's how:

Scholastic's ReadingLine Kits offer teachers step by step instructional kits grouped around a different literacy cornerstone; Sound and Letters, Phonics, and Vocabulary, allowing teachers the flexibility to supplement according to their classroom's needs.

When aligned side by side, Scholastic's ReadingLine and Open Court *Reading* work together to give you what you need to individualize your instruction with enough materials to support the instruction through to mastery for every student.

Scholastic's ReadingLine supports Open Court as it introduces the sounds of the alphabet in giving students a second chance or further practice with this critical skill without adding any extra work to the teacher!

* Correlation is based on SRA Open Court Reading ©2002

ReadingLine Sound and Letter

To supplement the first units of Open Court's "Alphabetic Knowledge", use ReadingLine's Sounds and Letter Kit. It is sequenced in alphabetical order, with a clearly labeled Little Book, letter cards and activities to highlight the sound each letter makes.

Open Court Unit / Lesson	Letter/ Skill	ReadingLine Little Book Title

ReadingLine Sight Words

In ReadingLine's Vocabulary Kit, 80% of the High Frequency words correlate to Open Court's predecodable books and vocabulary words. So when looking for extra practice or more books and activities with highlighting sight words, and oral language supplement with the Vocabulary Kit.

Open Court Unit / Lesson	Sight Word	ReadingLine Title	Kit Name

Lesson 16-20			

ReadingLine Phonics

By the second half of the school year when teaching Open Court's last four units the class will be learning about blending and decoding words. For those who want more ideas and materials for this phonics practice, ReadingLine's Phonics Kit offers 21 decodable books using CVC words, activity books, and other materials for flexible teaching methods.
