Phonics fluency for older readers.

Scholastic FX Books is a collection of 24 high-interest, age-appropriate texts for struggling readers and English-language learners in middle and high school who need to practice and review essential phonics concepts. Unlike other phonics readers, this collection will captivate and encourage adolescent readers as they build phonics fluency.

SCHOLASTIC FX BOOKS WILL:

- Motivate students with high-interest, age-appropriate fiction and nonfiction texts.
- Build confidence by promoting successful independent reading practice and enjoyment.
- Help students practice phonics skills and build knowledge of sound-spelling correspondences and high-frequency words.
- Improve students' fluency and vocabulary.

ORDERING INFORMATION

Collection includes:

- **72 Books** (24 titles, 3 copies each)
- **A Teacher's Guide**
- **An Attractive Storage Case**

Practice essential decoding skills

The fiction and nonfiction books in Scholastic FX Books target important phonics patterns. They address these patterns—called the FX Factor—in sequential order.

Practice Activities

The Teacher's Guide provides supplemental practice activities to help students master the targeted phonic patterns while building fluency, vocabulary, and confidence.

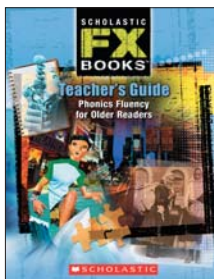

Targeted Phonics Practice

Each book targets one to three phonics patterns and contains numerous examples of each, providing students with the practice they need to build fluency.

Easy-to-use instructional support

The Teacher's Guide provides comprehensive support for phonics instruction, student activities, and other valuable resources.

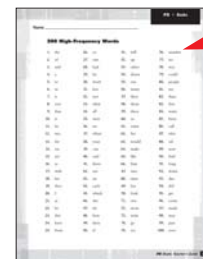

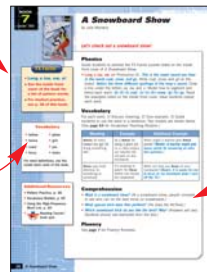

Teaching Plans

A Teaching Plan for each FX Book presents instructional support for teaching the targeted phonics pattern(s).

Vocabulary

Each Teaching Plan highlights the high-frequency vocabulary words that are critical for students to learn in each book.

300 High-Frequency Words

The Teacher's Guide includes a list of high-frequency words that teachers can use with students to build and assess fluency.

Comprehension

The Teaching Plans provide comprehension questions to help teachers assess students' understanding of the books they are reading.
