America's premier reading intervention program.

R *READ 180* is an intensive reading intervention program proven to meet the needs of students whose reading achievement is below the proficient level. The program directly addresses individual needs through adaptive and instructional software; high-interest literature; and direct instruction in reading, writing, and vocabulary skills. Scholastic offers three stages of *READ 180*, one each for upper elementary, middle school, high school, and above.

FOR INFORMATION ABOUT **READ 180** VERSION 1.6 PLEASE SEE PAGES 205-206

NEW in the Enterprise Edition

READ 180 Enterprise Edition reflects the evolution of technology systems and a decade of classroom usage and research. Improvements fall into the following categories:

NEW teaching system

The Enterprise Edition includes an explicit, systematic instructional path for Whole- and Small-Group Rotations with easy-to-use resources for differentiating instruction.

NEW technology platform

The new platform features smarter and faster technology and includes a robust new management system. Now educators can disaggregate student data by AYP groups and chart progress at the classroom, building, and district levels.

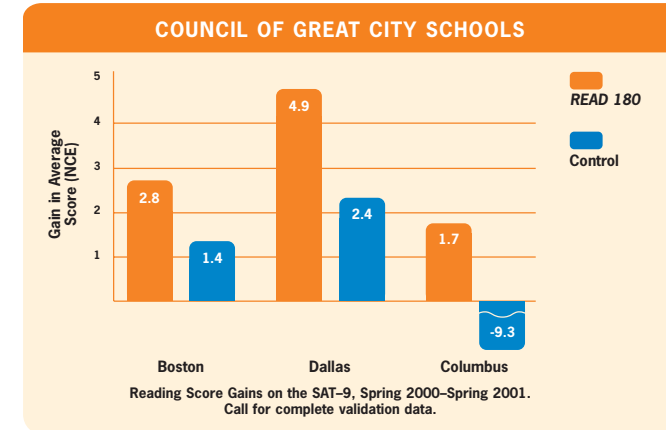

MORE language support

READ 180 Enterprise Edition offers support in five languages: Spanish, Hmong, Vietnamese, Cantonese, and Haitian Creole.

Our results speak for themselves

READ 180 students doubled or tripled the gains achieved by students not enrolled in the program.

READ 180 Conversion Kit

For our valued *READ 180 v1.6* customers, we want to share the benefits of the new Enterprise Edition with you. We have created an easy and cost-effective way for our existing *READ 180* users to convert to the Enterprise Edition. You can convert any or all of your stages of *READ 180* to the Enterprise Edition for **\$5,000 per stage**.

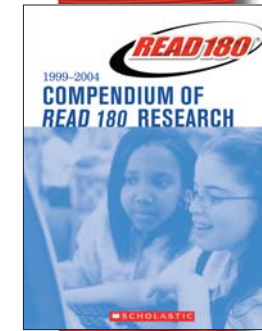

This kit includes:

- **New Software and Management System** powered by SAM, the Scholastic Achievement Manager
- **An Enhanced Teaching System**
- **New Audiobook and Paperback titles, CDs for all Audiobook titles** (to replace cassettes)
- **A one-day Implementation Training** covering the new materials for your district's *READ 180* educators

For complete conversion kit stages, see page 205.
