Engage older, struggling readers with age-appropriate content and scaffolded instruction.

Also ideal for English Language Learners

Also ideal for After School

Scholastic READ XL®

Scholastic READ XL is a comprehensive, research-based reading program designed to respond to the specific needs of older, struggling readers who are reading 1–3 years below grade level. Using age-appropriate fiction and nonfiction, including functional literacy “real-world reading,” Scholastic READ XL accelerates student learning.

COMPONENTS INCLUDE:

- **Teacher’s Guide**
Comprehensive, student-focused lesson plans that address the specific needs of struggling readers.
- **Student Anthology**
Leveled using the Lexile Framework® for Reading. A variety of high-interest selections, including more than 60% nonfiction real-world readings, contemporary young-adult fiction, plays, poetry, and more.
- **Practice Book**
Independent work and skills reinforcement in vocabulary, word study, comprehension, writing, and grammar.
- **Shared Novels with Teacher’s Guides**
Favorite titles that promote reading enjoyment and skill development.
- **Electronic Text Collection on CD**
High-interest nonfiction selections that include interactive links and offer more opportunities for independent reading and skills practice.
- **Test Preparation**
Weekly multiple-choice exercises that provide regular practice in standardized test-taking at grade level. Writing test preparation is also available.
- **Assessment**
Tests for each anthology selection to measure student progress.
- **Independent Reading Library with Teacher’s Guide**
High-interest books provide students with text they can read and understand while fostering reading development.
- **Audiobook Library**
Provides modeled reading through two voices—a narrator to read text and a reading coach who models strategies—as students follow along in their books.
