Scholastic Sprint Reading

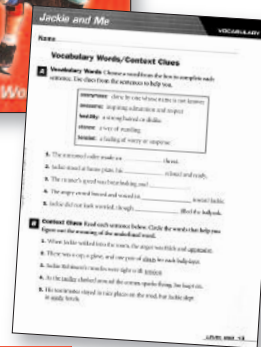

Scholastic Sprint Reading engages striving readers with motivating books aligned to your core curriculum at narrow Lexile ranges. This effective reading intervention program teaches the strategies readers need to further scaffold decoding, fluency, vocabulary, and comprehension. It also provides educators with comprehensive, practical plans for teaching essential skills for each title.

Scholastic Sprint Reading:

- Provides students with high-interest fiction and nonfiction books they are able to read and enjoy.
- Provides teachers with diverse text at specific levels to best suit the needs of students and supports the material with systematic instruction.
- Helps students decode words independently with phonemic awareness, phonics, and word study instruction.
- Builds vocabulary, reading fluency, and writing skills.
- Improves students' abilities to self-monitor comprehension and apply meaning-making strategies to a variety of texts.
- Assesses progress continually through formal and informal measures.

Student Workbooks provide skills practice and reading support for each title.

Teacher's Guide includes systematic instruction in all essential skills.

EACH COLLECTION INCLUDES:

- **48 Books** (8 titles, 6 copies each)
- **6 Student Workbooks**—provide students with skills practice and reading support for each of the Sprint Reading books.
- **Teacher's Guide**—contains a detailed teaching plan for each title, including systematic instruction in all essential skills, assessment tools, extra support routines, and resources for home/school connections.
- **Placement Guide**—allows teachers to determine appropriate entry levels.
- **Convenient Storage/Display Case**

Choosing the Right Leveled Collections

A classroom represents a wide range of students with a wide range of reading abilities. Scholastic Sprint Reading levels are determined by the Lexile Framework® for Reading—the research-proven system for measuring students' reading levels and matching readers to text. This table shows approximate grade correspondence to Lexile® levels.

Level 200	1.5–2.0*
Level 300	2.0–2.5
Level 400	2.5–3.0
Level 500	3.0–3.5
Level 600	3.5–4.0
Level 700	4.0–5.0
Level 800	5.0–6.0
