Materials List

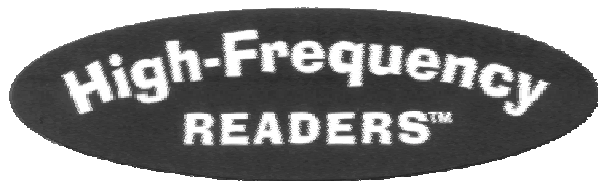

The following pages include Scholastic materials for K-3 that will meet the objectives for Accelerated Reading Initiative funding.

PHONICS

At Scholastic, research means action. Research tells us that children need to be actively engaged in developing phonemic awareness and phonics skills. Scholastic has developed specific materials to meet early readers' needs.

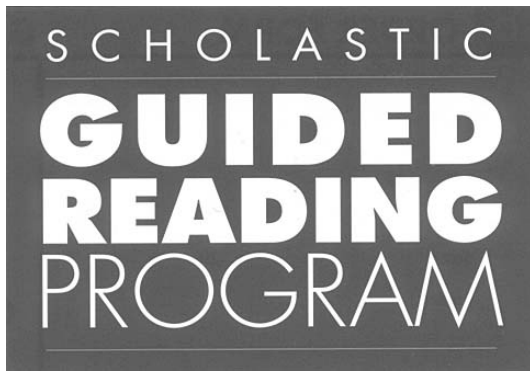

- **PHONEMIC AWARENESS KIT-** (English or Spanish) A complete Phonemic Awareness Assessment & Training Program.
- **MY FIRST PHONICS READERS-** Twelve 4-color decodable books offer intentional and sequential phonics instruction.
- **DECODABLE READERS-** Complete library of 88 decodable readers (4 copies each) with tightly controlled practice in decoding text.
- **PHONICS READERS-** These readers provide decoding practice with consonants in initial and final positions as well as short and long vowels. Two levels-1A and 1B. Choose either the 4-copy set or the single set - 36 readers, pocket chart, take-home book, transparencies, and teacher's guide. Also available on CDROM.
- **CUENTOS FONÉTICOS-** These readers provide systematic phonics instruction in Spanish, decodable and sound-controlled text, high-frequency words, and authentic literature. 36 titles-4 copies each, plus take-home book, transparencies, syllable cards, pocket chart, vowels poster, ABC strip, and teacher's guide.
- **PHONICS CHAPTER BOOKS-** Each 32-page chapter book is controlled for both phonics sounds and common sight words, which are then continually reviewed and applied in succeeding stories. 3 levels, 36 books per level. Level 1 contains 6 titles (6 copies) plus activity cards, bags, and teacher's guide. Levels 2A and 2B contain 9 titles (4 copies) and teacher's guide.
- **PHONICS BOOSTER BOOKS-** Complete 360-Book Library (36 titles, 10 copies) provides additional phonics practice and support. Follows a comprehensive phonics scope & sequence that will give students a solid foundation for reading success. Also available on CDROM.

HIGH-FREQUENCY READERS provide a solid start for beginning readers by systematically introducing a basic vocabulary of high-frequency words in simple, patterned texts that children will be able to read. These readers help children develop important emergent reading skills and fluency.

SCHOLASTIC
Meeting the needs of America's Schools

All children should experience the joy of reading and read successfully every day. That's why Scholastic published Dr. Gay Su Pinnell's Guided Reading Program and Colección Amanecer. These two programs represent a collection of leveled books that are categorized by the kind and level of challenge they offer. Each level includes multiple copies of trade books, activities to develop fluency and comprehension, and a teacher's guide written by Dr. Pinnell.

Ready-to-Go Classroom Libraries

Why Classroom Libraries?

Because children...

- need to read a lot to practice and polish their reading skills.
- read up to 50% more if they have immediate access to books.
- need choice in selecting books to meet their independent reading levels.
- need to read for a variety of purposes everyday:
 - for information
 - for pleasure
 - to perform tasks.
- need anywhere, anytime access to engaging books.

Scholastic Reading Inventory

The Scholastic Reading Inventory is a reading assessment program that provides educators with a reliable way to measure reading comprehension and match students to books. Available in both English and Spanish.

- **FLEXIBLE** – Provides guidance for classroom instruction and independent reading. Corresponds to established norms and standardized tests.
- **FAST** – This classroom-based test provides a rapid assessment of student reading comprehension.
- **ACCURATE** – Assessment is based on comprehension of authentic literature passages ~ not just vocabulary, and utilizes the Lexile Framework for Reading, an assessment tool with proven results.
- **COMPREHENSIVE** – Allows teachers to monitor and report the reading progress of students in all grades. Provides students with individualized reading lists based on reading and interest level.

And...

- ~ The SRI-Print Version (English and Spanish) is available in 2 forms (A & B) for pre- and post-testing.
- ~ The SRI-Interactive Version for English provides a student's reading level in less than 20 minutes.
