Create a paper quilt square as a 9/11 memorial. Here's how:

- 1.** In the square below, write a poem or special message or draw a picture.
- 2.** You may use your square to remember victims of the tragedy, honor the heroes, or show your feelings for the United States.
- 3.** Cut out your square.
- 4.** Put your square together with your classmates' squares to make a paper memorial quilt. Display it in your classroom.
