SPECIAL REPORT: Our Future in Space

Send Me to the Moon!

Imagine that it's the year 2018. NASA is sending people to live and work on a moon station for months at a time. But room on the station is limited. Fill out this application to convince NASA that you're the best person for the mission!

MOON STATION

APPLICATION FORM

1. Why do you think you would make a good candidate for the moon station?

2. What will you study while on the moon? How will your research help the future of space exploration?

3. If chosen for this mission, you will be allowed to bring clothing and other necessities. You will also be allowed to bring one additional item from home. It must fit in a gym bag. What would you bring? Why?

4. If chosen for the mission, you will be in space for up to six months. What will you miss about Earth?
