## Athletes to Watch!

- Sasha Cohen** is a medal contender in figure skating. Cohen has been called the world's most gifted skater and is a two-time world silver medalist.
- Bode Miller** is a contender in all five men's alpine events. The star of the U.S. Alpine Team, he excels in speed and technical events.
- Hannah Teter** is one of the most popular snowboarders in the world. She comes from a snowboarding family in Vermont that also makes maple syrup!
- The U.S. women's curling team may bring home a medal with sisters **Cassie** and **Jamie Johnson** anchoring the squad.
- Mark Grimmette** and **Brian Martin** are competing as a doubles pair in luge. They could become the first American men in any sport to win medals at three Olympic Winter Games.
- Todd Lodwick** may bring the United States its first medal in the discipline of nordic combined!
