

Name: _____

Are You Bananas for the Rain Forest?

Bananas come from the rain forest. Read this recipe for baked bananas. Then answer the questions below

Baked Bananas Recipe

What you need:

- 2 bananas, not yet ripe, with the peels still on
- A pinch of cinnamon
- A pinch of brown sugar

What to do:

1. Have an adult turn the oven on to 350 degrees.
2. Do not peel the bananas. Have an adult help you slice them in half the long way, so you have four long banana slices.
3. Lay the bananas on a pie plate with the sliced sides up.
4. Sprinkle cinnamon and brown sugar on the bananas.
5. Bake them for 20 minutes.
6. Eat the fruit with a fork!

1. How many bananas do you need for the recipe?

2. How much brown sugar do you need?

3. For how long should you bake the bananas?

Look at this picture of three bananas. If you sliced each in half, how many slices would you have? _____
