Filling in a Bar Graph

# How Many Kits in the Den?

Arctic foxes can have many kits at one time. The graph shows that 6 kits live in Den A. Follow the directions to fill in the rest of the graph.

**Arctic Fox Kits Graph**

1. Fill in the graph to show that there are **7** kits in **Den B**.
2. Fill in the graph to show that there are **6** kits in **Den C**.
3. Fill in the graph to show that there are **9** kits in **Den D**.

Which two dens have the same number of kits?
