

Name: _____

Filling In a
Bar Graph

How Tall Are the Bears?

Follow the directions to fill in the graph. We did the first one for you.

1. The brown bear is 9 feet tall. Fill that in on the graph.
2. The polar bear is 8 feet tall. Fill that in on the graph.
3. The panda is 6 feet tall. Fill that in on the graph.
4. The sun bear is 3 feet tall. Fill that in on the graph.
5. The spectacled bear is 5 feet tall. Fill that in on the graph.

How many feet taller is the brown bear than the sun bear? _____
