

Name: _____

Around a Holiday Town

Ali is going to his friends' holiday parties.
Follow the directions to draw the path he will take.
Be sure to use the compass rose!

1. Ali leaves his house. He goes north on **Winter Lane** for one block.

2. Then, he goes west on **Holiday Road** to Tom's house.

3. Next, he goes east on **Holiday Road** to Alpa's house.

4. After that, he goes south on **Pine Street** to Sara's house.

Ali wants to go to Mike's house next.
In which direction should he walk?

- north south west
