# Make a Map of Summer Fun

Some children play at the park. Make a map of the park. First, cut out the boxes on the side of the page. Then, follow the directions below to paste the boxes on the map.

1. The trees are in the middle of the west side of the park.  
Paste the trees there.
2. The pool is in the middle of the south side of the park.  
Paste the pool there.
3. The playground is east of the pool.  
Paste the playground there.
4. The field is east of the trees and north of the pool.  
Paste the field there.
