Fix the Valentine

First, read how to use capital letters.

- Capitalize the first word of a sentence.
- Capitalize the word "I."
- Capitalize the name of a person and the name of a place.
- Capitalize the days of the week and the months of the year.
- Capitalize the names of holidays.

Thanksgiving Mother's Day

Now, read the letter. There are six capital letters missing.

Circle each letter that should be a capital.

Write the capital letter above it.

Dear Billie Butterfly,

Happy valentine's day! Will you be mine? you are one of my best friends! Some people think we make a funny pair, but I think we are perfect together.

In fact, i love when you land on my snout. It tickles!

Love,
