Dear Mom,

I am so excited to be hear. Yesterday, Aunt mary took me to paris. It is the capital city of france. We went two the top of the Eiffel Tower. it was more than 900 feet tall. Even though the lines were long, i did not care. It was worth the wait. we got to sea the entire city from above? Later that day, we took a boat ride on a nearby river. tomorrow, we will visit some museums and shops. I can't wait?

Love,

Charlotte
