Think It Through

Use the stories in this week's issue of *Scholastic News* to answer the questions below. Write your answers on the lines provided.

1. Do you think the accomplishments and records of athletes who have used steroids during their careers should still count? Why or why not?

2. Who should own the artifacts and treasure that are in the wreckage of the *HMS Victory*? Should the salvage companies keep them or donate them to museums? Explain.

3. Most of the women featured in this issue of *Scholastic News* played a role in the battle for women's rights. Why do you think women have had to work to gain rights?

4. March is Women's History Month. Name a modern-day female role model. What makes her so inspiring? Describe the qualities you admire in her.

5. Scientists are very enthusiastic about their discovery of 10 new amphibian species in Colombia. The discovery makes them feel hopeful. Why do you think they are hopeful?
