# Think It Through

Use the stories in this week's issue of *Scholastic News* to answer the questions below. Write your answers on the lines provided.

1. Poets find inspiration for their poems in a variety of things, such as nature, emotions, and life. What are some things that inspire you to be creative?

---

---

2. Getting a sunburn is both painful and harmful to your health. What are some precautions you can and should take before enjoying a day out in the sun?

---

---

3. Imagine yourself as an archaeologist looking for mummies in Egypt. What are some differences you can expect to find in the tombs of rulers compared with the tombs of ordinary people?

---

---

4. Scientists can sometimes learn more about mummies and their lives than about people who died later in history. Why do you think that is?

---

---

5. Baseball players are being recruited by Major League Baseball teams at younger ages. Why do you think this is happening?

---

---
