## Review It!

After you've read your chosen book, write a short summary of it (about 100 words). Just make sure you don't give the ending away! Briefly describe the plot, or action in the story, and introduce the main character. Explain why you liked the book and why you think other kids might enjoy reading it. Is it an important book? If yes, why? What is something interesting you learned from it? Is it funny, sad, happy, exciting, or all of these?
