Think It Through

Use the stories in this week's issue of *Scholastic News* to answer the questions below.
Write your answers on the lines provided.

1. Why do you think some people turn up the music so loud on their MP3 players?

2. If you could build a special elevator, where would it go and what would it do?

3. After Barack Obama's historic win, what other kind of major changes do you hope for in the United States?

4. If you were voted President of the U.S., how would you feel? How would you celebrate?

5. What do you think it's like going underwater to photograph and count sea creatures? Is it a job you'd want?
