Character Web

Available as a PDF at scholastic.com/scope

Directions: It's easier to understand a story if you "know" the characters. Use this graphic organizer to analyze a character from *The Clique*, or from any other work you've read. Begin by putting the character name in the box at the center of the page.

Make inferences about this character. Would he or she be a good friend? Is the character well-liked? Would the plot change without this character? In what ways?
