Get the Scoop

Read a news story at Scholastic News Online, then answer these questions to explore how the story was researched.

- 1. Who did the news reporter speak with for the story? List the names and titles of anyone quoted in the story.**

- 2. Share a fact from the story and describe where you think the reporter might have learned this fact.**

- 3. List two other information sources the reporter might have used in his or her research.**

- 4. If you were a reporter assigned to write a follow-up article, whom would you interview?**

- 5. What questions would you ask in your interview?**
