

Name: _____

Date: _____

Instructions:

Decide on something you would like to save for, such as contributing to your future college tuition. Use the tables to keep track of how you spend and save your money in a given week. At the end of the week, figure out how much you spent and saved. Then write a story describing how you spent and saved your money, including what you chose to buy and why and what you chose to give up (opportunity costs) and why.

How I Spent & Saved My Money

What I Bought	Amount Spent

What I Wanted to Buy, But Didn't	Amount Saved

Total Spent: _____

Total Saved: _____

Extra Challenge:

What percentage did you save?

What percentage did you spend?
