

BOOKFLIX®

Where Stories and Nonfiction Connect

 SCHOLASTIC

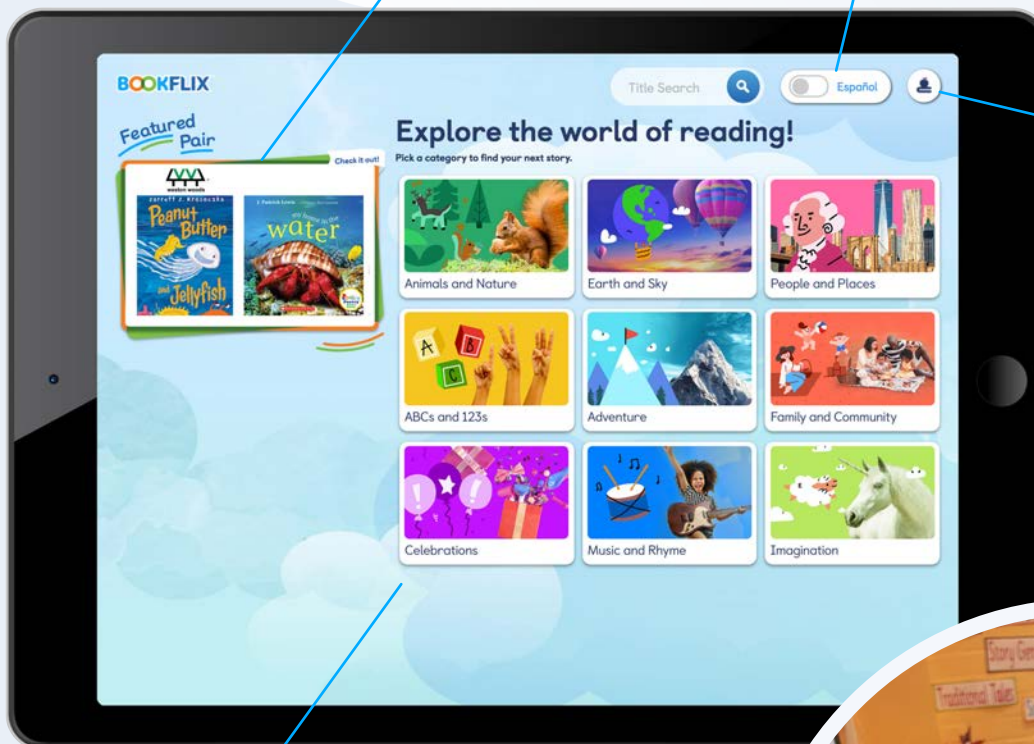

Where Stories Come Alive

BookFlix inspires Grades PreK–3 to discover the joy of reading while building both real-world knowledge and beginning reading skills. With classic animated stories from Weston Woods, thematically paired with more than 140 authentic nonfiction ebooks from Scholastic, **BookFlix** strengthens students' early literacy skills, confidence, and curiosity.

A featured pair chosen monthly and matched to timely themes throughout the year

Spanish-language versions of more than 35 pairs with easy access

Educator resources include lesson plans and standard correlations for each pair.

All fiction and nonfiction pairs are organized into nine early learning themes.

Captivating from Start to Finish

Interactive puzzlers

build vocabulary, comprehension, and knowledge of fiction versus nonfiction.

Editorially vetted

websites and creator biographies encourage students to dive deeper.

Pacing options and a dictionary feature help beginning, ELL, and striving readers.

Read Along feature with word highlighting strengthens word recognition and fluency skills.

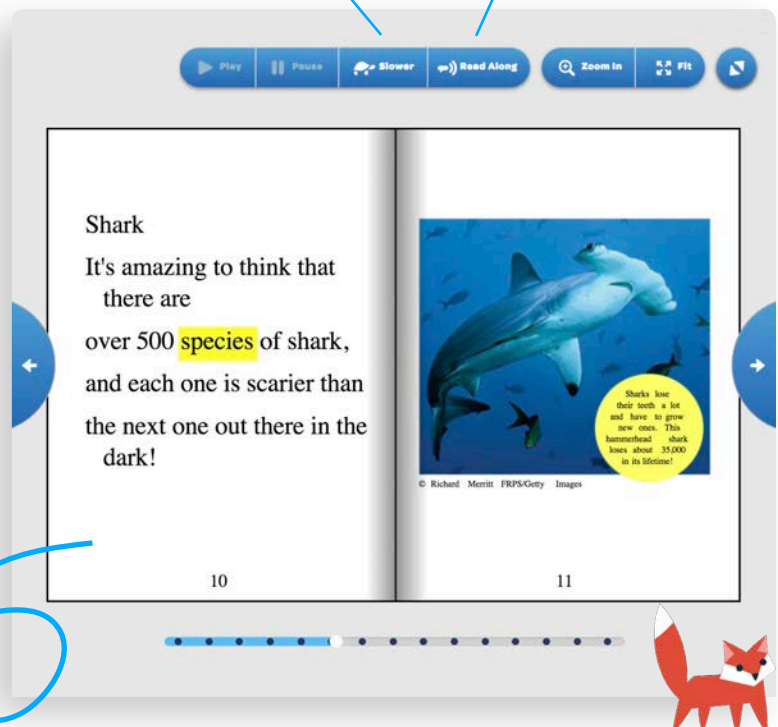

Watch the story

Award-winning stories are read aloud by celebrity narrators and spark joy for students.

Read the book

Nonfiction content connects the fictional story to facts and builds real-world knowledge.
