

Julie Bischoff

**Director of Implementation,
Scholastic Achievement Partners**

Julie can help you with:

- Implementation fidelity
- New standards readiness
- Instructional coaching to build effective teaching practices

Julie Bischoff strives to ensure school improvement implementations achieve concrete, measurable results that meet customer-defined expectations and outcomes. She works to ensure school improvement plans are implemented at the district and building levels with fidelity to ensure successful and effective transitions. Julie has 15 years of experience in English language learner and speech pathology teaching and coaching, with an emphasis on teacher effectiveness and network technology.

Julie began her career as a middle school teacher supporting English language learners and students with language delays in the areas of reading and language acquisition. Later, as a district-level Speech Language Pathologist in Osceola County, Florida, Julie worked collaboratively with teachers to provide differentiated instruction and to develop centers, classroom activities, and independent work to support language development in Grades K-5.

Julie received her bachelor of science in Speech Language Pathology. She holds a master of science in Speech and Language Disorders from the University of Central Florida.
