Powered by BellXcel

Empower Scholars ANYWHERE, ANYTIME, ANY WAY

Whether you are serving students in the classroom, at home, or at a community center, **Scholastic Scholar Zone** is an evidence-based solution designed to help you offer a high-quality ELA and math summer program for your students in Grades K-8.

A Solution with Evidence and Heart

FLEXIBLE CURRICULUM

Differentiate your program with ELA, math, and social-emotional instruction and enrichment activities that keep scholars engaged in whole-group, small-group, and independent learning.

PERSONALIZED COACHING

Partner with our experts every step of the way through customized services such as coaching and professional development.

PROVEN IMPACT

Elevate the quality of your program with an evidence-based approach that has led to improved student and educator outcomes for 25+ years.

POWERFUL PLATFORM

Simplify your program management with a robust digital platform that includes a program planner, resource library, scholar rostering, and more.

Scholar Zone empowered our team to deliver a great summer learning experience to the scholars who needed it the most. The impact for our scholars, educators, and families was evident throughout the summer and the next school year.
