- ★ **Bonus Interviews** with authors and illustrators who share the inspirations and ideas behind their stories.

Read-Along!

FOREIGN LANGUAGE MEDIA COLLECTION

As our world becomes increasingly interdependent, educators are recognizing the value of foreign language learning. Exposure to foreign languages at an early age is acknowledged to provide an important cognitive basis for the future learning of everything from math to music.

Weston Woods' Foreign Language Collection of well-loved classics is designed to inspire, entertain and engage children. Our Spanish and Mandarin bilingual DVDs include optional soundtracks and subtitles in either Spanish/English or Mandarin/English, making them the ideal choice for English-as-a-second-language learners.
