

Wynton Marsalis

When I was growing up, I escaped into the world of books everyday and I learned that reading is FUN. I want you all to read as much as you can because it makes your mind strong, it makes your heart and soul strong. So join me, and teachers and students everywhere for Scholastic Book Clubs Read For 2003 on December 6, 2002, at 12 noon.

**The World's Largest
Classroom Reading Event!**
