

FactStorming English Language Arts

Name: _____ Date: _____

Statement or Text/Novel/Short Story: _____

On-Grade Choices

- Choose one character. Compare and contrast this character with two others in the story.
- Choose one character and describe how this character changes over time. Include at least two ways this character changes and describe why these changes occur.
- Create a timeline to sequence at least five key events. Provide a caption detailing the significance of each event.
- Choose at least two themes and give evidence of these themes in action.

Choices for Challenge

- Sequence at least two major events from the story and discuss how they each affect the main character.
- Choose at least three actions the main character takes and discuss the character's motivation. (Why does he/she take each action?)
- Describe how the social, cultural, economic, and/or political events of the time impact the main characters.
