

Name: _____

Design a Flower

What Pollinators Like

Bee

- ★ a place it can land (like a petal)
- ★ yellow or blue color
- ★ sweet smell

Butterfly

- ★ a place it can land (like a petal)
- ★ tiny tubes for butterfly tongues to gather nectar
- ★ pink or light purple color
- ★ sweet smell

Beetle

- ★ large flower
- ★ flat or dish-shaped flower (easy for beetle to climb on)
- ★ green or white color
- ★ spicy or fruity smell

Hummingbird

- ★ long tube shape (big enough for the bird's head and beak)
- ★ red or orange color
- ★ no smell needed

1. Do Steps 1 and 2 of the Task Card. Draw a flower for your pollinator.

2. Do Steps 3–5 of the Task Card. Draw a flower for a different pollinator on the back of this sheet. Tell which pollinator you think would like it and why.
