# Stop That Soil!

1. Do Steps 1–3 of the Task Card. Record what you see.

---

---

2. How can you keep the water from eroding the soil? Write three ideas.

---

---

3. Do Steps 5 and 6 of the Task Card. What do you notice?

---

---

4. Compare the two cartons. How well did your invention stop erosion?

---

---

5. How could you improve your invention?

---

---
