

Name: _____

Wetter Is Better

1. Do Steps 1–4 of the Task Card. **Predict:** How will the leaves change after one day? Record your guesses in the chart below.
2. After one day, feel your leaves. How have they changed? Record below.

	My Guess	What Happened
Leaf 1		
Leaf 2		
Leaf 3		

3. Which leaf keeps water in best? Which would make a good desert leaf? Which would not? Write your answers on the back of this sheet.
