1. Do Step 1 of the Task Card.  
What did you observe?

---

---

2. Do Step 2 of the Task Card. Is the sound louder or quieter?

---

3. Do Step 3 of the Task Card. Which makes a higher sound—the longer (whole) rubber band or the shorter (half) rubber band?

---

4. Do Step 4 of the Task Card. Does stretching the rubber band tight across the cup change the sound? How?

---

---

5. Make an instrument. Explain how it works on the back of this sheet.
