I went to to Luke's house for break. He lives in new york. Have you ever been there? I love the big buildings yellow taxi cabs and all of the art exhibits. i could eat their strawberry/cheesecake for every meal.

Did you see Mary's face? She was so surprised! She loved the poetry books that you made for her, especially the poem called Blue Heart. I think the one was my favorite too. Do you have a favorite? Why did you call the poem Heart Blue anyway?

The days almost over. I like Thursdays because I have band practice after school. Do You have anything after school on thursday? If not, you should think about joining band. It's fun more than you would expect.

Have you ever been to south dakota? I went once to see Mount ~~Roosevelt~~ ^{Rusmore}. It was cool to see the presidents' faces carved into the Mountain. there was a museum that told the stories of some of the the artists who chiseled the faces.

I can't wait for Summer. I'm going to take a trip to Greece and see all of the ancient ruins. I've never flown before. I'm goin with my cousin george. Me and george are goin to have a great time. I can't wait
